What Vitae-Ore Is.

Vitæ-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these mineral deposits being thus taken up by the liquid. Vitæ-Ore consists of compounds of Iron, Sulphur and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring, and are necessary for the creation and retention of health. One package of this mineral-substance, mixed with a quart of water, equals in medicinal strength and curative, healing value, many galions of the world's powerful mineral waters, drunk fresh at the springs.

Wallace, Nen.—Vitæ-Ore was the means of saving my life and escued me from an existence that was almost unbearable. I had been suffering for a long time with Nervous Prostration, Palpitation of the Heart and Smothering Spells, Female Weakness, Catarrh of the Head, Throat and Stomach, Kidney and Biadder Trouble. In fact, I do not believe I had a sound organ in my body. I was bedfast for seventeen weeks, when I was induced to give Vien-Ore a trial. I think it was a God-zend, as all my diseases began to yield impediately and I am now circle. I can do all was

mediately and I am now cured. I can do all my housework with pleasure and sleep like a child and have a very good appealte. I have taken Vitm-Ore for only two months and have gained 18 pounds. I hope every sufferer will try this remedy as I have done and be convinced of its healing power.

A tree is known by its fruit and not by its leaves, as a medicine or remedial agent is known by its cures and not by its claims. For every claim of a cure made by Vine-Ore we produce the "fruit," in the written evidence of the person who has been cured, in the ringing testimony proving the good we promise through Vins-Ore has stood the test of the american public. The people have tried it, have endorsed it and have recommended it, and its reputation has grown like a green bay tree. Thousands in every state of the Union are using it and praising it—thousands who call it "Our Family Doctor."

Medicines have come and gone, have spring up in the night like mushrooms, have made broad claims and stariling promises, but when the time came to "bear fruit" their branches were barren, the cures were not in them and they passed out into the night, to be heard of no more. Our claims for Vite-Ore are as strong as can truthfully be made for any one medicine, but their strength comes from the strength of the medicine itself, from its actual power in discased conditions. Its record proves what this power has been in other cases, covering a wide range of ills and discases—a fair trial will prove its power in yours. Let the experience and testimony of countless thousands of "Living Witnesses," men and women from every walk in life, young, middle aged and old, guide you. Follow their lead and turn to Vita-Ore for the bestly you seek, the great blessing of active manhood and womanhood that makes life a joy. You can test it for the asking—just a letter. How can you refuse to try it?

THOUSANDS

In all parts of the United States and Canada have testified to the efficacy of Vitxe-Ore in relieving and curing such diseases as Hheumatism, Kidney, Bladder and Liver Diseases, Dropsy, Stomach Disorders. Female Ailments, Functional Heart Trouble, Catarrh of any part, Nervous Prostration, Amemia, Sores and Ulcers, and worn out, debilitated conditions.

A BLESSING TO Rheumatics.

Rheumatism is caused by absorption into the blood of refuse matter, which should be carried out of the system through the proper channels. The poison destroys the purity of the blood and as it circulates through the body the acid particles thrown oil penetrate the joints, muscles, membranes and even the bones.

Vite-Ore is well adapted for the cure of Rheumatism, Gout, Lumbago, etc., and has many times been successful in chronic cases of such long standing as to be thought incurable. Alkalies and the remedies that are almost invariably prescribed, full to cure because they weaken digestion, irritating the delicate lining of the stomach, thus impairing instead of building up the system. Vita-Ore is a blood purifier and is absorbed into the blood, correcting poisonous products, and gradually eliminating them from the system. Under its use, thin blood is made pure and rich and as it is carried through the body neurishes and soothes the irritated tissues, and dissolves the poisonous deposite that have collected in the joints and passes them out of the system. Cures with it are lasting. In severe cases crutches are often thrown away, never to be used again.

Rheumatic sufferers should not lose hope, even though the cuse be chronic and of long standing. Vita-Ore has cured many a chronic, obstinate, pronounced hopeless case. Thousands have testified to its efficacy in rheumatic troubles, many who had tried the best decitors and gone with no benefit, to noted mineral springs, whose waters are famed for their efficacy in rheumatic troubles. noted mineral springs, who their efficacy in rheumatic

A Veteran Cured of Severe Pain In Kidneys. Now Can Do Heavy Lifting—In Better Health Than For Many Years.

BRIDGETON, N. J., Nov. 14th, 1906. I, Henry Keller, of the City of Bridgeton, County of Cumberland and State of New Jersey, do testify under oath that for a long while I suffered severe Pains across my Kidneys. I began the use of Vitæ-Ore and after three days use according to directions, I began to be very much improved. It is now four months since I began taking Vitæ-Ore and the pains, which were most severe, have entirely disappeared and I have more strength in my back than at any time during the past twenty years. I am constantly at work with heavy lifting. My appetite is good and my general health was never better. I am a veteran of the Civil War and honestly believe that my excellent con-

OWES HIS LIFE TO V.-O.

Suffered for Years with Kidney, Heart, Stomach and Rheumatic Troubles.

COVINA, CAL.—Though I have never written in regard to my experience with Vitae-Ore, yet to it I owe that I am alive today. For eight years I have suffered from Kidney Trouble, called by different names according to the whim of the doctor treating me, and I can honestly say that I never knew a well day. I became so bloated and fat that it was burdensome to me to make any exertion and a continual pain about my Heart never left me. It was impossible for me to lie down on my lett side and sometimes I could not lie down at all. In addition to this I was tortured with Rheumatic pains, and even my Digestive Organs were diseased; acute attacks of cramps and neuralgic pains of the stomach were so severe that they threatened death. Four years ago I was attacked with typhoid fever and two doctors attended me. They broke their fever and treated me for other troubles, they thinking all the while to get me on my feet again, but I became weaker and weaker and everyone thought me past recovery. My wife and sister would not give up hope, but persuaded me to try Vitae-Ore. They said if I would swallow a few doese I might find myself improved; if I did not they would cease urging me. I began taking it, and the result which they predicted came about. I began to improve at once and became in the course of a few weeks a well man and have continued so ever since. I am able to do the hardest kind of manual labor. My heart never gives me any uneasiness, and my cramps, pains and fat are things of the past.

A. T. Sigstan.

It is Not Unnatural that Vitae-Ore cures so many disorders. As many femilies trace ancestry to one common parent, so whole families of diseases of various names, have one common origin—a defaultion in some vital organ. Vitae-Ore corrects the original defection and the disorder disappears with the disappearance of its cause.

If You Don't Feel Right wrong with your eleep, your digestion, your blood, your nerves and your vitality, you cannot afford to suffer another day when the thing that has set thousands right is offered you without a penny's risk, when it takes but a letter to start you on the work it has done for thousands. You cannot lose a penny-you win back health or pay nothing. YOU ARE TO BE THE JUDGE! Send today for that which have used and are using with the success denied them in other treatments, and start the treatment immediately.
